But the church will oppose he more virule, thy than the world. The church has become so infected with devils that all faith has left it. It would crucify me if it could. Shail I be crucified this time as I was before? Owing to the development of government since I was on the earth last, I shail probably escape physical crucifixion his time. But I shail suffer a spiritual crucifixion in the abuse of the church and the disbelief of the world in my divinity. It will be as hard to make the level in me. But goed believe I am Christ now as it was before. Good will need to knock some mendown to make them believe in me. But God has chosen me and he will do his work. He has chosen me out of the people. I was born lowly, as prepheseicd in Isainh. I am not beautiful to look upon. In fact, I am homely. How do I know I am Christ? I will tell you. I had a vision when I was five years oid. I saw that I should meet a holy woman who would be to me my spiritual mother, and train me for a divine nic. That vision is the properties and resistance of the church and the market. HELENA, Oct. 7, 1887.

i was suffering from an unusually bad cough, my lungs were sore and congested, and I consulted one of the best physicians in Helena, whose prescriptions failed to relieve me. I became alarmed, and at the suggestion of a friend purchased a bottle of Acker's English Remedy for coughs, and after taking it according to directions was completely cured. I therefore cheerfully "How many followers have you out there?"

"About 300."

"Mostly women."

"Isn't it liable to be misconstrued as sort of free-love farm?"

"The misconstructions of the world concern me not. They are the agonies of the spiritual crucifixion I am suffering."

"What do these women do?"

He induced the woman to impersonate the dead woman and draw the pension money. Witnesses were produced who took oath that she was the proper person. She had her papers all right and the conspiracy proved a success, for they drew the pension until the death of Barnes in 1879. Then she fell in with a man named Ritt, who learned the pension story. The woman, it appears, wanted to cease drawing the pension, but Ritt compelled her to continue and she drew the money for another ten years. Then a separation occurred and the woman ceased drawing the money. Bitters. Slight exposure, an occasional draught, will beget this painful malady, where there is a predisposition to it in the blood. It is not difficult to arrest the trouble at the outset, but well nigh impossible to eradicate it when matured. No evidence in relation to this superb blood depurent is more positive than that which establishes its efficacy as a preventive and a remedy for rheumatism. Not only is it thorough, but safe, which the vegetable and mineral poisons, often taken as curatives of the disease, are not. Besides expelling the rheumatic virus from the system, it overcomes fever and ague, biliousness, constipation and dyspepsia.
